"BY APPOINTMENT."

How Official Warrants Are Granted to the Various Purveyors of Royalty.

dispatches published here during the nast week from London have intimated that owing to the recent inauguration of stricter business methods on the part of the so-called "board of green cloth." which controls the victualing deholders, that is to say, the tradesmen to the King, the Queen, and the mem-

Queen of England," it may be as well she has declined to remove the wares that to explain just what is meant by the title and warrant in question. They do not in any way imply that the firm which receives the warrant constitutes the only one of a particular trade that is to be thus distinguished. For there are at least the same manner, and so, too, do the Princess of Wales, though Princess of Wales, though Princess the uniform.

The King makes his purchases in the same manner, and so, too, do the Princes and Princess of Wales, though Princess the uniform.

The caps will be blue, the same color as the uniform.
